If the information provide here:

<http://www.pbs.org/cringely/pulpit/pulpit20011206.html>

Is correct Section III(J)(2) must contain language including not-for-profit organizations like the Apache Group and Samba Group. The language could be interpreted as only applying to for profit orgranizations.

Section III(D) should also include language to disclose this same information to not-for-profit organizations.
